6. At this time it is not possible to be definitive as regards arranged travel to matches. Whilst we hope to run minibuses or, preferably, coaches, but we do not know if this is feasible at this time. We will send newsletters with more details in due course. We do appreciate that some of you may prefer not to use coach travel at this time. However, it would be useful to know preferences to enable us to plan. There is no point booking a coach and find only a handful of people actually want to use it. Select your preferred travel arrangements from the list below. Note this is not binding on you - and if you prefer car now, you can always choose to come on the bus/coach at a later date.

- Supporters Club provided Bus/coach if available
- Supporters Club provided Bus/coach at some stage in the season but not just yet
- Train
- Car (will arrange any car sharing myself)
- Car (happy for others wanting to go to car share)
